Statement of Dylan Reported By: WLBURN, DAMARCUS D. 2/26
 Entered By.: WLBURN, DAMARCUS D. 2/26

CASE NUMBER: 1-14-008628
VICTIM: CHRISTIAN ANDREACCHI O
LOCATION: 801 DEER RUN
OTHER PERSON: WHITLEY ALEXIS GOODMAN
INCIDENT: SUICIDE
REFERENCE: STATEMENT OF Dylan Swearingen
DATE: 2/26/2014

Christian called me at 1:37 asking if I was able to come pick him up at St. Rose, Louisiana at a docking bay that his barge had stopped. I told him yes that I could pick him up. He told me that I needed to be there between 7:45- 8am. I left my home at 3:45am-4am on my way to get him. We exchanged a few phone calls just to touch bases and he would asked me where I was or how far from the landing area. After a couple hours or so I finally reached the destination that he was at. I called him when I arrived and he said give him a few moments. He came down the hill where I was parked and removed his blue jumpsuit he wore for his work. He said he had left without permission and security of the place along with sheriff were alerted but he decided to leave I have no conclusion on whether he was able to leave or if just left by self choice.

After we left the destination I picked him up at we talked like we always have. Nothing was out of the ordinary. We stopped at a gas station and got us some drinks and filled my truck up for coming to get him. As we pulled out and got back on the interstate he began to tell me that him and Whitley were having relationship issues. The issues were regarding another boy hanging out with Whitley while he was gone and he then told me this the reason for him coming home. Then we continued our route to Meridian just talking and listening to the radio.

We pulled into the apartment complex that he was living at. He noticed the BMW he bought for Whitley was there and he walked in. He began asking her where she had been because they have a tracker on each other phones. She spent the night at the boy's house that Christian earlier mentioned. His name is Matt Miller. After asking her multiple questions regarding what she had done she mentioned the usage of xanax, she was not sure some of the activity they participated. He blamed xanax for her not knowing. I stayed upstairs majority of the time due to I didn't want to interfere with their argument. I stuck my head over the stairs one moment and heard him saying over and over "Do you love me" After a few times of asking he pulled his gun out and cocked it and stuck it to his head and asked again. "Do you love me" She said yes and tried to grab the gun away from him. After awhile things calmed down and we watched a movie.

I asked him if he wanted me to go get some food and give them a moment

On February 26, 2014 I left work at Atlas Roofing around 3pm and I went to Medic Save Optical and ordered some glasses and then I went home and then I went to Dollar General. I made it the apartment complex around 4:15 pm I turned by the mailboxes heading to my apartment I noticed a Gold either Chevrolet or Gmc truck parked next to a Silver BMW in front of Christian Andreacchio apartment and the truck was still running. At first I thought it was the maintenance man truck but I noticed that the truck had big chrome tips of the muffler turned out behind the tires. I knew then that it was not the maintenance man truck. When I parked I was sitting in my car and I noticed that the truck pulled out of the parking space and drove down passed my apartment and went around the ben and turned around and came back and left the complex. I went into my apartment and around 5 minutes to 6pm I left out of my apartment and I saw the police so I drove by there and I saw the Detectives and the Ambulance and I knew something had happen and I left the complex.

Q: How do you know Christian Andreacchio?

A: I work for his Mom at Alliance.

Q: How did you that the Silver BMW belong to Christian Andreacchio?

A: His Mom had stated it.

Q: Did Christian Mom have you watching his apartment?

The next morning we woke around 6:30 or 7:00 I was already late for work. I walked her to her car asked her if she was good to drive and she said yes. So we parted ways I went to work and I guess she went to Christian's. I worked from about 7:45 till 3:00 I was in Russell at the time working at a factory. I got home around 3:30pm sat on the couch watching tv and went to sleep. Woke up around 8:00 pm from a call from my cousin asking if I heard what happen to Christian. Jett told me about Christian committing Suicide and then that's when I tried to get in touch with Whitley to see what happen. Statement of Dylan Reported By: WILBURN, DAMARCUS D. 2/26/1
 Entered By: WILBURN, DAMARCUS D. 2/26/1

CASE NUMBER: 1-14-008628
VICTIM: CHRISTIAN ANDREACCHIO
LOCATION: 801 DEER RUN
OTHER PERSON: WHITLEY ALEXIS GOODMAN
INCIDENT: SUICIDE
REFERENCE: STATEMENT OF Dylan Swearingen
DATE: 2/26/2014

Christian called me at 1:37 asking if I was able to come pick him up at St. Rose, Louisiana at a docking bay that his barge had stopped. I told him yes that I could pick him up. Hel told me that i needed to be there between 7:45- 8am. I left my home at 3:45am-4am on my way to get him. We exchanged a few phone calls just to touch bases and he would asked me where i was or how far from the landing area. After a couple hours or so I finally reached the destination ation that he was at. I called him when I arrived and he said give him a few moments. He came down the hill where I was parked and removed his blue jumpsuit he wore for his work. He said he had left without permission and security of the place along with sheriff were alerted but he decided to leave I have no conclusion on whether he was able to leave or if just left by self choice.

After we left the destination I picked him up at we talked like we always have. Nothing was out of the ordinary. We stopped at a gas station and got us some drinks and filled my truck up for coming to get him. As we pulled out and got back on the interstate he began to tell me that him and Whitley were having relationship issues. The issues were regarding another boy hanging out with Whitley while he was gone and he then told me this the reason for him coming home. Then we continued our route to Meridian just talking and listening to the radio.

We pulled into the apartment complex that he was living at. He noticed the BMW he bought for Whitley was there and he walked in. He began asking her where she had been because they have a tracker on each other phones. She spent the night at the boy's house that Christian earlier mentioned . His name is Matt Miller. After asking her multiple questions regarding what she had done she mentioned the usage of xanax, she was not sure some of the activity they participated. He blamed xanax for her not knowing. I stayed upstairs majority of the time due to I didn't want to interfere with their argument. I stuck my head over the stairs one moment and heard him saying over and over "Do you love me" After a few times of asking he pulled his gun out and cocked it and stuck it to his head and asked again. "Do you love me" She said yes and tried to grab the gun away from him. After awhile things calmed down and we watched a movie.

+ Dylan Swearingen

Case Number: 1-14-008628

I asked him if he wanted me to go get some food and give them a moment alone. He gave me his debit card and said get some chick -fil-a and to take all of him money out of his account. I asked him was he sure and he replied yes. He also broke her phone in and earlier argument. I told him I would take the phone and see if they could fix it. I got the food and he provided me with the banking information but they said he as the account holder would have to withdrawal the money. I came back and everything was fine. We watched another movie. I noticed they were leaving and I said "Where are yall going?" he replied "to take a little ride". I fell asleep and woke up around 2 hours later. Whitley was asleep and Christian was sitting on the couch smoking a cigarette. He acted normal and I said "I'm about to go to Best Buy and look at some speakers do you need anything while I'm out? " He replied no" At an earlier time after I saw him point the gun to his head, I took the gun from him and placed it behind the curtain because he was acting very aggressive. As I left I told him I hid it due to his actions and I gave it back and told him "unload it and please don't touch it. As I left, I made it to Best Buy and talking to the car audio technician.

As I walked in I noticed he wasn't on the couch and I walked around the apartment calling him and got no answer. I walked up the stairs and noticed the bathroom light was on so I figured he was taking a shower. I knocked and said "are you alright?" Still no answer so I walked downstairs and walked into a room. that Whitley was sleeping in I told her he didn't answer me and that we need to check on him. She went back to sleep and I walked back up stairs and knocked once more. I asked aloud again "Christian? Are you OK" he didn't reply so I opened the door and I saw Christian laying face down across the tub with blood in it. I yelled Whitley, Christian is dead we have to call 911 and she screamed and ran upstairs and began holding him I then called 911 and directed them to the apartment and the police arrived and then took control of the scene and asked us to sit in the living room. OTHER PERSON: DYLAN SWEARINGER
REFERENCE: INITIAL REPORT
DATE: 02-26-2014

ON 02-26-2014, I RESPONDED TO 801 DEER RUN AT WILLOW RIDGE APARTMENTS IN REFERENCE TO A POSSIBLE SUICIDE. I MADE CONTACT WITH DYLAN SWEARINGER AT THE FRONT DOOR. HE SAID HIS FRIEND CHRIS WAS IN THE BATHROOM DEAD AND POINTED UPSTAIRS TO THE LOCATION. WHEN I ENTERED THE HOME MS. WHITLEY GOODMAN WAS ON THE COUCH IN TEARS OBVIOUSLY DISTRAUGHT FROM THE CURRENT SITUATION.

I WENT UPSTAIRS AND LOOKED IN THE BATHROOM SEEING A WHITE MALE WITH HIS HANDS TO HIS SIDE, FACE DOWN GOING INTO THE TUB WITH HIS BODY OUTSIDE OF IT. I COULD NOT SEE A WEAPON OR INJURIES FROM THE ANGLE I HAD. I CHECKED THE PULSE ON THE RIGHT WRIST AND COULD NOT FEEL ONE. I THEN LEANED OVER AS FAR AS I COULD TO SEE ANY INJURIES BY GRABBING THE TOWEL RACK FOR BALANCE AND LOOKED OVER THE BODY.

ALL I COULD SEE WAS DARK RED BLOOD GOING DOWN THE DRAIN, IT APPEARED TO BE COAGULATING FROM EXPOSURE. I NOTIFIED DISPATCH OF THE SITUATION AND WAITED FOR THE FIRST DETECTIVE TO ARRIVE. OFFICER'S GORDON AND ALLEN ARRIVED AT 5:04PM AND LT. MASSIE ARRIVED AT 5:05PM. THREE EMT'S FROM METRO AMBULANCE ARRIVED AT 5:08PM THE SAME TIME AS DETECTIVE WILBURN ALONG WITH OFFICER CARTER STANDING OUTSIDE THE DOORWAY.

THE FOLLOWING INVESTIGATORS ARRIVED ON SCENE AT 5:25PM DETECTIVE THOMPSON AND CLAYTON COBBLER THE COUNTY CORONER. DETECTIVE'S LATTING AND SCOTT ARRIVED AT 5:43PM. A YELLOW CRIME SCENE TAPE WAS USED TO CORDON OFF THE EXTERIOR. INVESTIGATORS TOOK PICTURES AND EVIDENCE FROM THE LOCATION FOR THE INVESTIGATION.

THE CRIME SCENE WAS PROCESSED BY INVESTIGATORS AND THE FRONT DOOR TO THE LOCATION WAS SECURED AND TAPED OFF FROM THE YARD TO THE FRONT PORCH UNTIL INVESTIGATORS RELEASED THE SCENE TO THE FAMILY MEMBERS. I GAVE THE FRONT DOOR KEY TO DETECTIVE THOMPSON WHEN RELEASED FROM THE SCENE BY ASSISTANT CHIEF SHARPE. NOTHING FURTHER TO REPORT AT THIS TIME.

alone. He gave me his debit card and said get some chick -fil-a and to take all of his money out of his account. I asked him was he sure and he replied yes. He also broke her phone in and earlier argument. I told him I would take the phone and see if they could fix it. I got the food and he provided me with the banking information but they said he as the account holder would have to withdrawal the money. I came back and everything was fine. We watched another movie. I noticed they were leaving and I said "Where are yall going?" he replied "to take a little ride". I fell asleep and woke up around 2 hours later. Whitley was asleep and Christian was sitting on the couch smoking a cigarette. He acted normal and I said "I'm about to go to Best Buy and look at some speakers do you need anything while I'm out?" He replied no. At an earlier time after I saw him point the gun to his head, I took the gun from him and placed it behind the curtain because he was acting very aggressive. As I left I told him I hid it due to his actions and I gave it back and told him "unload it and please don't touch it. As I left, I made it to Best Buy and talking to the car audio technician.

As I walked in I noticed he wasn't on the couch and I walked around the apartment calling him and got no answer. I walked up the stairs and noticed the bathroom light was on so I figured he was taking a shower. I knocked and said "are you alright?" Still no answer so I walked downstairs and walked into a room that Whitley was sleeping in. I told her he didn't answer me and that we need to check on him. She went back to sleep and I walked back up stairs and knocked once more. I asked aloud again "Christian? Are you OK" he didn't reply so I opened the door and I saw Christian laying face down across the tub with blood in it. I yelled Whitley, Christian is dead we have to call 911 and she screamed and ran upstairs and began holding him. I then called 911 and directed them to the apartment and the police arrived and then took control of the scene and asked us to sit in the living room.
